Exclusive Referral Program

We are committed to finding the best residents to live at in our community. You can be our partner in success by referring high-quality tenants to us. If someone you refer signs a one year lease, you will be rewarded with a \$200 credit toward your next month's rent!

Good For a Laugh!

Did you know that April is National Humor Month? That's right! In addition to April Fool's Day on the first of the month, you have 29 more days to get your laughs in. The great news is that laughter is known to reduce emotional stress, release muscle tension throughout the body, boost your immune system, and sharpen your short term memory. Here are four fun facts about laughter: 1) Kids tend to laugh three times more than adults. 2) Laughing right after you wake up can give you a boost of energy and alertness, similar to drinking a cup of coffee. 3) We tend to laugh more around others than we do when we're alone. 4) Jokes only account for about 10-15 percent of what makes us laugh. The rest is inspired by social cues.

Easter Traditions around the World

Children in the U.S. enjoy the holiday with egg hunts, a visit from the Easter bunny, and loads of chocolate tucked inside their Easter baskets. Other countries celebrate with their own traditions. In Australia and in the United Kingdom, the main event is the Easter bonnet parade, where children march in the streets wearing fancy hats decorated with bunny ears, Easter eggs, and spring flowers. In Spain, people enjoy eating a special pastry with a whole egg baked inside, shell and all. Also, confetti-filled eggs, called Cascarónes, are crushed over people's heads as a sign of good luck. No matter how you choose to celebrate, we hope you have a happy Easter!

Keeping the Clubhouse Clean

Our clubhouse is a great place to socialize and mingle with other residents. Please make sure you keep it clean by tossing all food wrappers and papers in the trash and wiping up any accidental spills. We want all residents to enjoy this home away from home!
